Debora: I've just delivered to your office a copy of the Poison Center budget amendment request, as well as one more budget amendment request. This has to do with the HIV/AIDS program. Each year, the state's HIV/AIDS program receives federal grant money from the Ryan White program, and they use that for various purposes. The budget amendment request asks that \$100,000 of the federal money the state receives in Ryan White Part B grant funds be distributed to the Black Health Coalition of Wisconsin, Inc. to provide outreach, education, referral and other services with respect to HIV infection. I've spoken to the author of this amendment request and they want this to be a one-time funding in 2007-08. You will see that currently, in s. 252.12(2)(c)(2), the "African American AIDS task force of the Black Health Coalition of Wisconsin, Inc." already receives \$25,000 GPR.

Per our just-completed telephone conversation, I will try to provide to you the DHFS appropriation for the Ryan White Part B funds, as well as a cite to the federal statute dealing with the Ryan White grant program. Thanks

Debora: Regarding this item, DHFS tells me that the appropriation into which the Ryan White Part B federal money goes is 20.435(5)(ma). So I believe that should be the appropriation from which these FED funds are appropriated to the Black Health Coalition of Wisconsin, Inc." Thanks Debora.

Subject: Ryan White citation

Debora: I found a GAO report dated 4/27/06 that describes the Ryan White Care Act. It refers to it as the "Ryan White Comprehensive AIDS Resources Emergency Act of 1990" or the "CARE Act." The public law citation is "Pub. L. No. 101-381, 104 Stat. 576 (codified as amended at 42 U.S.C. sections 300ff-300ff-111 (2000))."

The article also notes the following: "The 1990 CARE Act added a new Title XXVI to the Public Health Services Act. In general, because Part A of that new title, which authorizes grants to metropolitan areas, was established by Title I of the CARE Act, it is commonly referred to as Title I, and because Part B, which authorizes grants to states and territories, was established by Title II, of the CARE Act, it is commonly referred to as Title II."

I hope this is helpful.

I am still waiting to hear from DHFS about the DHFS appropriation for the Ryan White Part B federal money.

To Eric Peck:

After getting from you the information on the federal citation for the Ryan White Part B grants, I have after all decided not to refer to them directly, since the federal statutes list several programs as subsections or subparts of Title XXVI, Part B, as added December 19, 2006, P. L. 109-45, Title II.

I did not include an appropriation increase in this budget amendment, because it appears that this grant is a distribution from funds received. Okay?
